

CONSTIPATION

A condition in which bowel evacuations occur infrequently, or in which the feces are hard and small, or where passage of feces causes difficulty or pain, constipation developing in a person of previously regular bowel habit may be a symptom of intestinal disease.

-A sluggish action of the bowels.

AESC., ALUM., ALUMN., APIS., ARS., BRY., CALC., CARBN-S., CAUST., CLEM., COCC., COFF., COLL., CON., GRAPH., LACH., LAC-D., LYC., MAG-M., MEZ., NAT-M., NIT-AC., NUX-V., OENA., OP., PHOS., PLAT., PLB., RUTA., ANIC., SEP., SIL., STAPH., STRAM., TRY., SULPH., THUJ., VERAT., ZINC.

Constipation =Aesc.---Congestion of liver and portal system with constipation burning distress aching at navel flatulence.

Constipation =Aloe.---Goes to stool again and again but nothing but wind passes hard lumps mingled with watery stool; large balls passing involuntarily and unnoticed.

Constipation =Alum.---Stool adheres to the anus like soft clay. Inactivity of rectum, even soft stool requires great straining. Infantile constipation also Constipation during pregnancy.

Constipation =Am-m.---Constipation and hardness of stool necessitates great strain for expulsion.

Constipation =Ant-c.--- Alternate diarrhoea & constipation of old age.

Constipation =Bry.--- Constipate; stools no desire large, dry, and hard as if burnt.

Constipation =Coll.---Constipation and hemorrhoids when associated with functional disturbances of the heart arising there from, or

Constipation =Hydr.--- Give 2x.

Constipation =Lyc.---Frequent and ineffectual desire for stool due to constriction of anus. First part of stool is hard and difficult to start, last part is soft.

Constipation =Mag-m.---Great difficulty due to hard dry stool no urging although rectum is full and knotty like sheep dung, or crumbling as if burnt, especially in puny, rachitic children with enlarged abdomen, or in infants during dentition.

Constipation =Mez---Constipation after confinement has proved a good indication for (**Mez**).

Constipation =Nat-m.---Stool hard, like sheep dung. Constipation from inactivity of rectum, during menses, with much soreness after stool. Stool crumbling.

Constipation =Nux-v.---Constipation with frequent and ineffectual desire for stool and sensation of constipation of rectum. passing small quantities. Constipation from abuse of drugs. More he stresses, harder it is to pass stools.

Constipation =Phos.---Constipation, faeces slender, long, dry, and hard like those of a dog, pass with difficulty.

Constipation =Plb 12 and **Op** 12 in alternation work as a good laxative.

Constipation =Plb.---Constipation, stool scanty, hard or balls-like the dung of sheep, black or green colour pass with difficulty.

Constipation =Pyrog.---Constipation, obstinate from impaction, in fevers, stools large, black, carrion-like, small black balls.

Constipation =Rheum.---Relieved severe constipation in an acid child who was intolerant of almost all remedies in the attenuations. **Dr. Clarke.**

Constipation =Sil, Marina.---In constipation for patients of all ages. (**Sil., Marina.**) Crude. **Dr. W. B. Clarke. Of indianopolis.**

Constipation =Stann.---Monday constipation: constipation occurring on days following rest days. (**Stann**) **Dr. Hering.**

Constipation =Verat 3x.---brings stool the quickest in constipation.

Constipation 1st stage =Nux-v., Lyc.---In the beginning.

Constipation 2nd stage =Bry., Nat-m., Alum., Mag-m., Caust., Graph.---Bad condition.

Constipation 3rd stage =Plat., Plb.---Worse condition.

Constipation 4th stage =Op., Nux-m.---Serious condition.

Constipation- Absence of desire for stool, Inactivity of rectum =Alum.

Constipation Alternating with diarrhoea = Nux-v., Ant-c., Chel., Lyc., Nat-s., Nit-ac., Op., Ptel., Podo., Puls., sulph.

Constipation before and during menses =Nat-m., Sep

Constipation chronic =Hydr-can.—In old cases where enemas no longer act, when the faces remain high up; or do not come down into the rectum to excite desire, this remedy has been of great service.

Constipation during pregnancy =Alum., Nux-v., Sep

Constipation during pregnancy =Op.—If the stools are very hard. Give 30 or 200.or **Alum.30.**Is ordinary cases give **Nux-v.30.**

Constipation- Even soft stool passes with difficulty, Adhere to anus like soft clay =Plat.

Constipation- Even soft stool passes with difficulty, Clay like sour smelling =Hep.

Constipation- Even soft stool passes with difficulty, Until there is large accumulation =Alum.

Constipation- Frequent ineffectual desire, Causes pain in anus =Lyc.

Constipation- Frequent ineffectual desire, Passes better on standing =Caust.

Constipation- Great difficulty due to hard dry stool, Bleeding from anus & rectum during stool =Calc-p.

Constipation- Great difficulty due to hard dry stool, Constipation alternating with diarrhoea =Tub., Kali-c.

Constipation- Great difficulty due to hard dry stool, even when soft but cannot pass in one sitting =Psor., Chin.

Constipation- Great difficulty due to hard dry stool, Hard black balls =Thuj., Alumn.

Constipation- Great difficulty due to hard dry stool, ineffectual desire and shining as if greasy =Caust.

Constipation- Great difficulty due to hard dry stool, knotty and large United with mucous, thread of mucous follow =Graph.

Constipation- Great difficulty due to hard dry stool, Lacerating the anus =Lac-v-def.

Constipation- Great difficulty due to hard dry stool, Much straining and sweating but inability to expel =Sil.

Constipation- Great difficulty due to hard dry stool, Recedes after partially expelled =Sil., Thuj., Sanic.

Constipation- Great difficulty due to hard dry stool, Urging to stool but passes only hot flatus =Nat-s.

Constipation- Great difficulty due to hard dry stool, With paralytic feeling in rectum =Agar.

Constipation has to lean back =Med.

Constipation Inactivity of rectum, from =Alum., Bry., Nat-m., Sep., Sil., Anac., Op., Verat., Hydr.

Constipation Infants, of =Alum., Hydr., Mag-c., Mag-m., Bry.

Constipation Menses, before and during =Nat-m., Sep., Sil., Graph., Kali-c.

Constipation no desire for days =Alum., Bry., Hydr.

Constipation obstinate =Psor.—Constipation obstinate, with backache, from inactivity of rectum, when **sulph** fails to relieve.

Constipation of travelers =Plat., Nux-v.

Constipation passes better while standing =Caust.

Constipation Pregnancy, during =Alum., Nux-v., Sep., Bry., Lyc., Op.

Constipation- Require manual or mechanical aid, Hard black balls, lying in convulsion =Op.

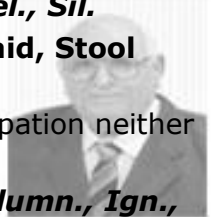

Constipation- Require manual or mechanical aid, Manual aid, specially in children =Sep.

Constipation- Require manual or mechanical aid, Recedes after being partially expelled =Sanic., Sep., Sel., Sil.

Constipation- Require manual or mechanical aid, Stool being of immense size =Sel.

Constipation Severe =Lac-v-d.—Severe, constipation neither enema nor strong purgatives effect.

Constipation Soreness, after stool =Nat-m., Alumn., Ign., Nit-ac., Rat.

Constipation Stool =Alum., Plat.---Adheres to anus like soft clay.

Constipation Stool =Am-m., Mag-m.---Crumbles at verge of anus.

Constipation stool slips back =Sil., Thuj., Sanic.

Constipation Strain, has to strain =Alum., Nat-m., Nux-v., Sil., Alumn., Chin., Nux-m.

Constipation travelers, of plat =Nux-v.

Constipation unable to pass stool in presence of nurse =Ambr.

Constipation with large stools =Sulph.--- Constipation with hard, dry, large stools; held back because of pain; stool as if burnt helpful in anal fissures (cracks inside anus); burning.

Constipation, no desire for days =Alum., Bry., Hydr.

Constipation, stool slips back =Sil., Thuj., Sanic-aq.

CONSTIPATION-Absence of desire for stool, Suspension of peristaltic action =Op.
